Did you here anything back  
From RAB regarding the Action memo?

Hi:

We have been working Monday through Saturday and sometimes Sunday depending on the work needs and operator (they are closed on Sundays). I assume I would need someone to work a few days during the week but I'm not sure if it would be worth it for me to travel home. For a person to work two days at the site they would need four days. Two days just for travel to and from the site.

Any advice?

Regards,

Eric
